

Hello friends!!! Here's an activity to try: Let's make a music shaker today.

What is a shaker? A shaker is a percussion instrument.

Percussion instruments include any instrument that makes a sound when it is hit, shaken, or scraped.

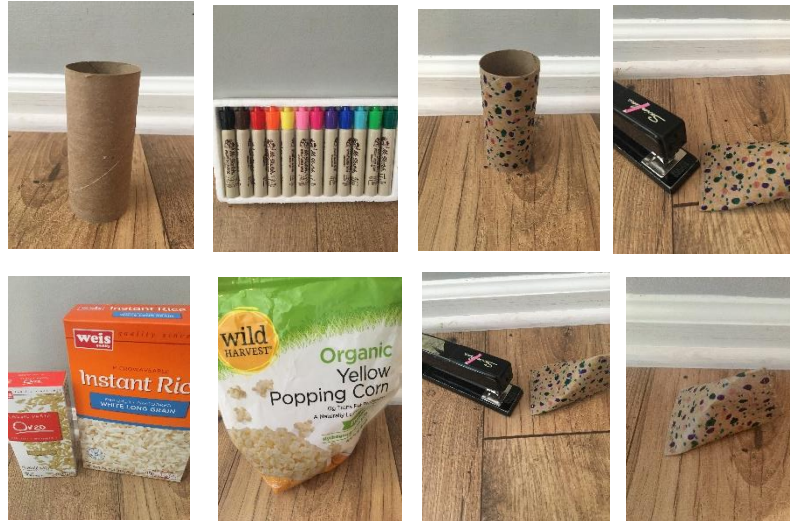

Materials:

Cardboard toilet paper or paper towel tube

Markers, stickers, tape, paint-any decorative art supply

Dry beans, rice, pasta or popcorn kernels (unpopped)

Stapler

Decorate the cardboard tube.

Pinch one end and staple it closed.

Put in a small handful of your dry uncooked food item.

Pinch the other end of the tube in the opposite way.

Shake...shake...shake your sillies out!!!

HAVE FUN!!! SEND US A PICTURE OF YOU MAKING MUSIC WITH YOUR SHAKER!
