

Hello friends! Here is an art activity to try. Let's make a windsock!!!

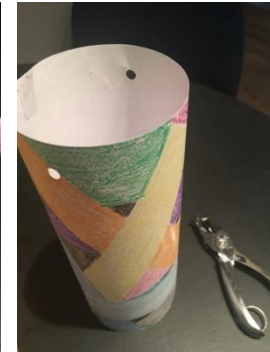

Materials:

- Piece of paper
- Crayons or markers
- Piece of string
- Tissue paper (cut in long strips)
- Scissors
- Tape
- Holepunch

How to:

- Color the paper however you like.
- Form a cylinder by rolling paper and tape to hold shape.
- Punch two holes opposite of each other (about 1/2 -1 inch from top.)
- Thread yarn through and tie to create a hanger.
- Tape tissue paper streams on the inside of the bottom of the cylinder.

Display your fabulous windsock
anywhere you like.
Let it blow in the breeze!

Send us a picture of your creations!!! info@buckskids.org.
