

BCCM Corporate Partners Program

The Bucks County Children's Museum's Corporate Partners Program provides businesses with the opportunity to demonstrate their commitment to community by supporting educational and interactive experiences for the next generation of thinkers, innovators and leaders.

Museum History

Opened in 2011, the Bucks County Children's Museum is the largest child-focused museum in the Philadelphia suburban region, serving 65,000 children and their families each year through interactive and educational exhibits and programming.

Museum Audience

BCCM serves a broad primary market that includes PreK-1st grade children (ages 1-7) and their families/caregivers throughout Bucks County & the Philadelphia region, representing learners from a diverse range of socio-economic backgrounds and various levels of development.

Your Partnership

Your \$1,000 Annual Corporate Partnership Includes:

- 20 Employee Museum Passes
- Invitation to the 2025 Unplug & PLAY Celebration
- Recognition on the BCCM Website & Museum Honor Wall
- Recognition In Annual Report
- "Partner in PLAY" Window Cling and Digital Icon for Your Business

Your Impact

Your partnership will directly support Museum Admission Assistance Programs, providing free or reduced admission for 10,000+ annual museum guests, including children from low-income households.
